ACTION TAKEN REPORT

NAME OF THE STAKEHOLDER: Student

AY: 22-23

The Academic Council Meeting has been convened by College Academic Committee consisting of all teaching staff under the supervision of the Principal. The purpose is to conduct feedback analysis and propose effective changes in their respective departments.

The teaching staff members are actively exploring the possibility of an action plan. This action plan is intended to align with demands and feedback of stakeholders, particularly students.

Given the focus on student feedback, it's positive to see that a threshold (90%) has been set to distinguish between positive and negative feedback. This threshold can serve as a benchmark for evaluating the effectiveness of the implemented changes.

S.No	Question	Feedback/ concern	Percentage consensus	Action to be taken
1	How do you rate the syllabus of the course that you have gone through in relation to the expected teaching-learning process?	Good	90	We are working towards creating a dynamic and effective teaching learning environment.
2	How do you rate the allocation of credits and hours to the courses?	Very Good	92	We are establishing a credit and hour allocation system that supports effective teaching and learning.
3	How do you qualify the relevance of syllabus of each course to the recent trends and developments?	Good	90	Taking care by putting efforts to provide updated information about the topics which are there in the syllabus.
4	How do you assess the various papers in terms of their relevance to the specialization streams?	Very Good	92	Considered and updating action taken report to JNTUK for necessary action.
5	The content of courses is able to increase your knowledge and skills to pursue higher education?	Very Good	94	Considered and reported to action to JNTUK for up gradation and necessary action.

6	The teachers illustrate the concepts through examples and applications.	Excellent	96	We will continue the same.
7	Your observation on the usage of ICT tools such as LCD projector, Multimedia, etc. by the teachers while teaching	Very good	92	Regular and proactive efforts were made to train and qualify the faculty for the usage of multimedia.
8	How well was the teacher able to communicate and level of preparedness of teachers for the classes?	Very good	92	Training to the staff will be provided to improve the communication and approaching students.
9	The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.	Good	90	We are building our contacts with different companies and will regularly monitor the social media platform which improves the internship opportunities.
10	The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	Very good	92	Every faculty is instructed to improve the student-teacher interaction and monitor the students.
11	How do you rate the various provisions for extension and co-curricular and extra-curricular activities of the college?	Good	90	We are encouraging our students to participate in co-curricular activities which helps them to develop emotionally and socially.
12	Teachers are able to identify slow learners and help them to overcome the problems.	Very good	92	Regular assignments and periodical tests were conducted for slow learners to improve their performance.

ACTION TAKEN REPORT

NAME OF THE STAKEHOLDER: Alumni

AY: 22-23

The academic council meeting has been convened by college academic committee consisting of all teaching staff under the supervision of principal. The purpose is to conduct feedback analysis and propose effective changes in their respective departments.

The teaching staff members are actively exploring the possibility of an action plan. This action plan is intended to align with demands and feedback of stakeholders, particularly Alumni.

Given the focus on alumni feedback, it's positive to see that a threshold (90%) has been set to distinguish between positive and negative feedback. This threshold can serve as a benchmark for evaluating the effectiveness of the implemented changes.

S.No	Question	Feedback/ concern	Percentage consensus	Action to be taken
1	The current syllabus is adequately updated from the one followed during your course of study.	Very Good	92	We are taking care by putting efforts to provide updated information about the topics in the syllabus by conducting guest lecturers from Industries.
2	How do you rate the curriculum with respect to professional ethics and behavior?	Very Good	92	Faculty was trained to behave as a Professional ethical teacher rather than an individual to set moral standards.
3	Does the curriculum have the ability to find solutions to real life/practical problems in industry through the use of technical knowledge?	Good	90	Considered and updating report to JNTUK and PCI for necessary action to reach the global standards.
4	Does the curriculum have reasonably practical and laboratory skills for analysis and design of experiments?	Very Good	94	We are providing the required arrangements to learn the best possible laboratory skills.

5	Does the College Conducted Career orientation training programs	Very Good	94	Knowledgeable career guidance systems were adopted
6	Does the curriculum have ability and engage in a process of continuous learning to meet the current job requirements?	Good	90	Periodical workshops and seminars are conducting.
7	Does the college has given promising contribution for your future paths	Very Good	92	We are guiding the students both technically and professionally to reach their future goals.
8	Encouragement to good cognitive and soft skills development	Very Good	92	We are making our students to get trained even in the soft skills and cognitive skills.
9	Does the Infrastructure of the college is sufficient to carry out the research activities?	Very Good	94	Necessary infrastructure was provided to the students. Furthermore we try to improve the infrastructural facilities .
10	Overall satisfaction for the current program in meeting its educational objectives.	Very Good	92	Considered and updating report to JNTUK for necessary action.
11	Are you satisfied with the efforts taken by the College to connect with its Alumni?	Excellent	96	Continuing the same connection with the alumni.

ACTION TAKEN REPORT

NAME OF THE STAKEHOLDER: Employer

A.Y: 20-21

The academic council meeting has been convened by college academic committee consisting of all teaching staff under the supervision of principal. The purpose is to conduct feedback analysis and propose effective changes in their respective departments.

The teaching staff members are actively exploring the possibility of an action plan. This action plan is intended to align with demands and feedback of stakeholders, particularly Employer .

Given the focus on employer feedback, it's positive to see that a threshold (90%) has been set to distinguish between positive and negative feedback. This threshold can serve as a benchmark for evaluating the effectiveness of the implemented changes.

S.No	Question	Feedback/ concern	Percentage consensus	Action to be taken
1	Do our students have the ability to find solutions to real life/practical problems in industry with this technical knowledge?	Very good	90	Conducting sessions on soft skills which help them combat with real life problems.
2	How do you rate the relevance of the Curriculum for employability?	Very good	90	Relevant programs are conducting to improve the employability
3	Do our students have ability to engage in a Process of continuous learning to meet the Current job requirements?	Excellent	95	We are developing every student to involve in team management works and group works.
4	How do you rate the student's ability to learn and mould themselves in the Industrial Practices?	Very good	90	We are moulding our students with theoretical and practical concepts required for Industrial practices.
5	How do you rate the Proficiency of our students working with you?	Excellent	95	Every student is trained in such a way that they must be fit for any type of circumstances.

6	How do you rate our students written and oral Communication abilities?	Very good	90	Special care was taken towards all students by conducting communication skills.
7	How do you rate the presence of Electives in relation to the Technological advancement?	Excellent	95	We will continue the same.
8	Do our students have reasonable knowledge and Hands-on Skills for analysis and design?	Very good	90	We are working to elevate the abilities of the students to gain knowledge on analysis.
9	How do you rate the Professional Capabilities of our students in comparison to students from other Institutions?	Excellent	95	We will continue the same.
10	How do you rate our students with respect to Professional Ethics and behavior?	Excellent	95	Every student is trained to be professionally and ethically suitable for industry.
