It's great to hear that the training and placement cell of VNIPS organized coaching for competitive exams from 11-02-2019 to 15-02-2019. The program was specially designed for students in their III-II & II-II years of the B. Pharm program who were preparing to appear for GPAT/PGECET in 2019.

During the coaching, the respective subject faculty members provided guidance and addressed any doubts or questions the students had after each session. Dr. P. Umadevi, the principal of VNIPS, played a vital role in motivating and encouraging the students to attend these classes regularly.

This kind of coaching and support is essential for students aiming to excel in competitive exams, as it not only provides them with the necessary knowledge and preparation techniques but also offers motivation and guidance from experienced educators and mentors

Totally 90 students were participated in this training Programme they were able to understand the following objectives:

Objectives:

- To motivate the students to prepare for high level competitive exams.
- Students should be aware of GPAT/PGCET exam benefits and prior preparation along with academic syllabus.
- To improve strategic thinking and smart work during the exam.
- To develop confidence which increases a student personality in a hard-working manner.
