### **SUSTAINABLE PRACTICES AND GREEN CAMPUS INITIATIVES AT VISWANADHA INSTITUTE OF PHARMACEUTICAL SCIENCES**

The Viswanadha Institute of Pharmaceutical Sciences (VNIPS) is actively involved in various initiatives aimed at promoting sustainability and eco-friendliness on its campus. These initiatives include regular plantation programs, participation in Swachh Bharat awareness activities.

VNIPS is also committed to creating a green campus by focusing on areas such as power usage, water resource management, and cleanliness. These initiatives are integrated into the institutional planning and budgeting processes to ensure successful development of a sustainable and eco-friendly campus. Moreover, the institute encourages collective contributions from its faculty, staff, and students to promote an eco-friendly culture within the campus and the surrounding community. The emphasis on sustainability aligns with the concept of a green campus, which combines environmental-friendly practices and education to create a place that prioritizes environmental consciousness and sustainable solutions to various needs.

In addition, the VNIPS faculty and students participate in various events and seminars, including academic excellence awards, sports meets, and awareness campaigns such as Swachh Bharath, Plantation Day, Environmental Day, Energy utilization awareness, etc. These activities showcase the institute's commitment to holistic development and environmental awareness. By actively engaging in these initiatives and events, VNIPS is not only fostering an eco-friendly culture within its campus but also contributing to the promotion and support of global sustainability, as emphasized by the Green Campus initiatives.

### Report on Clean and Green Environment Programme -2023

Name of activity: Clean and Green Environment Programme.

Date of Activity: 21/04/2023

Number of Participants: 32

Location/s of activity: Viswanadha Institute of Pharmaceutical Sciences

It's great to see that Viswanadha Institute of Pharmaceutical Sciences (VNIPS) organized an Earth Day celebration on 21/04/2023, under the leadership of Dr. G.Uma Sankar. Earth Day is an important global event, and it's wonderful to hear that more than 32 students and faculty members participated in this event. The theme for Earth Day 2023, 'Invest In Our Planet,' is very relevant and emphasizes the need for collective action to protect our environment.

The activities organized for Earth Day are an excellent way to raise awareness about environmental issues and promote sustainable practices. The Cleaning Environment Green Activity is a meaningful initiative as it encourages students and faculty to take part in activities that contribute to a cleaner and more sustainable environment. Small actions can indeed lead to significant outcomes in the future.

The key points mentioned in your description, such as the importance of teamwork, the need for innovation and equitable implementations, and the call for governments, institutions, and businesses to support a green economy, are all crucial in addressing environmental challenges. Earth Day serves as a reminder of our responsibility to protect our planet for future generations.

By organizing events like this, VNIPS is playing a vital role in fostering a sense of environmental responsibility and encouraging the youth to be active participants in sustainable development. The efforts made on Earth Day, and throughout the year, will contribute to a more sustainable and pollution-free future. It's heartening to see educational institutions taking the lead in promoting these essential values and actions.

## GREEN CAMPUS

Our college could be one of the examples of clean campus, as our campus is maintaining the plastic free, smoke free, garbage free zone because of its cleanliness the campus provides the clean and dust free environment to students and staffs. As Says:

### **SWACHH GREEN CAMPUS**

A Green Campus is the combination of sustainable eco friendly conservative practices and education. Viswanadha Institute always has an intension towards tree plantation. Besides the mass tree plantation, Viswanadha Institute has environment friendly initiatives such as rain water harvesting, solar energy, honey bee garden, mushroom cultivation etc. Viswanadha Institute has already taken various strategies to implement green campus initiatives

### Report on Swachh Bharath-2022

Name of Activity: Swachh Bharat

Date of Activity: 04/06/2022

Number of Participants: 45

Location(s) of Activity: Viswanadha Institute of Pharmaceutical Sciences

On 04/06/2022, Viswanadha Institute of Pharmaceutical Sciences organized a Swachh Bharat event in campus at 10:00 AM. This event was a testament to our institution's commitment to cleanliness and environmental sustainability. Faculty members, non-teaching staff, and students came together voluntarily to clean the campus and promote the ideals of the Swachh Bharat Mission.

**Swachh Bharat Mission:** The Swachh Bharat Mission was launched by the Prime Minister of India on October 2, 2014, with the primary goal of achieving universal sanitation coverage. The mission aimed to focus on sanitation and cleanliness, emphasizing the importance of cleanliness not only in urban areas but also in rural regions. The objectives were to make all villages, gram panchayats, districts, states, and union territories in India open defecation-free and ensure better solid waste management.

**Event Details:** The Swachh Bharat event at Viswanadha Institute of Pharmaceutical Sciences was a collective effort that saw enthusiastic participation from both staff and students. The event began at 10:00 AM, and participants were divided into groups to clean various areas of the campus.

#### Achievements and Activities:

**Cleaning Drive:** Participants engaged in a thorough cleaning drive, focusing on the removal of litter, debris, and the general improvement of the campus's cleanliness. This included cleaning classrooms, corridors, open spaces, and common areas.

**Awareness:** During the event, there were discussions on the importance of maintaining cleanliness, proper waste disposal, and the significance of sanitation in our daily lives. These discussions aimed to create awareness among participants and inspire a long-term commitment to cleanliness.

**Solid Waste Management:** The event also stressed the importance of effective solid waste management and encouraged responsible waste disposal practices.

#### Conclusion:

The Swachh Bharat event at Viswanadha Institute of Pharmaceutical Sciences was a resounding success, emphasizing the significance of cleanliness, sanitation, and environmental awareness. It highlighted the commitment of our institution to the Swachh Bharat Mission and our role in creating a cleaner and healthier India. This event not only improved the physical appearance of our campus but also left a lasting impact on the minds of all participants, inspiring them to be responsible citizens and promote cleanliness in their communities. It served as a reminder that small acts of cleanliness can lead to significant changes and contribute to a Swachh Bharat. We look forward to more such initiatives in the future and continue our efforts towards a cleaner and greener India.

### Report on Swachh Bharat Abhiyan -2021

Name of activity: Swachh Bharat Abhiyan.  
Date(s) of Activity: 05/06/2021  
Number of Participants: 60  
Location/s of activity: Viswanadha Institute of Pharmaceutical Sciences

It's great to hear about Viswanadha Institute of Pharmaceutical Sciences active participation in the Swachh Bharat Abhiyan (Mission) and their efforts to contribute to a cleaner India. Here's a summary of the key actions and initiatives taken by the college:

**Awareness Programme:** The College organized an awareness program on cleanliness. Her Excellency, the Principal Dr. P. Uma Devi, addressed the staff and students to sensitize them about the importance of cleanliness and the Swachh Bharat Abhiyan. This program likely aimed to educate and motivate everyone in the college community to actively participate in the cleanliness drive.

**Cleanliness Drive:** On Saturday 05/06/2021, all the students and staff members of Viswanadha Institute actively participated in a cleanliness drive. This drive aimed to clean the college campus as a part of the Swachh Bharat Abhiyan. This collective effort involved the entire college community in working towards a cleaner environment.

**Garbage Collection:** During the cleanliness drive, students, non-teaching staff, and faculty members from the college collected various types of waste, including paper waste, plastic waste, and plastic bottles, from the campus. This action demonstrates the commitment of the college to not only clean the environment but also to manage waste responsibly.

**Participation:** More than 60 students, non-teaching staff, and faculty members from the Department participated in the campaign. This high level of participation highlights the enthusiasm and dedication of the college community in contributing to the Swachh Bharat Abhiyan.

By actively engaging in these initiatives, Viswanadha Institute of Pharmaceutical Sciences has made a significant contribution to the national movement of Swachh Bharat Abhiyan, working towards the vision of a cleaner and more sanitary India.
