4.3.1. I T facilities provided for college students and Faculty.

Viswanadha Institute of Pharmaceutical sciences regularly updates its IT facilities, including its Wi-Fi network, to meet the technical needs of the industry. We ensure that both students and faculty members have access to computers with good configurations, maintaining a reasonable ratio. In addition, all classrooms are equipped with LAN (Local area net work) connections to enhance the teaching and learning experience, fostering better retention and understanding among students. We've made sure that Wi-Fi is accessible in a campus buildings, seminar hall and common areas. we offer numerous high-configured internet browsing to cater to the needs of students and faculty across all courses.

Our college administration recognizes the profound impact of information technology on individual growth, and despite the financial burden, we are committed to provide the necessary resources to meet the demands of the modern industrial landscape. Administrative and financial processes are fully computerized, ensuring efficient and timely reporting as required.

Our library is equipped with software to track the availability of books and journals separately for referencing e-books and CDs.

The Training and Placement department plays a pivotal role in preparing students for industry opportunities from the moment they join the college. This proactive approach greatly enhances their chances of success in placement drives. We offer B.Pharm course and M.Pharm course with specializations, Pharmaceutics and Pharmaceutical Analysis. Students are provided with software tools like animal simulation software - ExPharma series. Our Pharm. D program is supported by Micromedex software, that meets the prescribed standards of the Pharmacy Council of India (PCI).

Additionally to streamline administrative tasks, FRS app (face recognition time computerized attendance marking system) is implemented for students, which records and stores attendance data on a daily basis. ECAP-This digital system significantly aids in various college processes, including Planning and Development, Administration, Finance and Accounts, Student Admission, and Examination Management.

Announcement Access for Knimbus E- Library Pharmacy Colleges – JNTU- Anantapur Consortium- 2023-2024

Dear Sir/Ma'am,

We value your patronage and your confidence shown towards us. Counting you among our customers is something for which we are especially grateful now.

We are glad to inform you that the online access for **Knimbus e-Library** has been setup on our platform which enables you to make **"Your Library, Your Way"**.

However, few institutes still haven't shared the user/faculty data to get uploaded at the Knimbus Portal. We humbly request them to share the data on priority. (Note: please ignore this message if you have already shared the users data).

With the new Knimbus platform you have access to a single platform for all list of e-Resources, subjects, content, important links. Having your branded e-Library Portal will help you increase visibility of the library and build awareness amongst faculty and students about the high-quality resources available through the Library.

Please check out your new e-Library at - **<https://jntuapharmacy.knimbus.com>**

You can download the Knimbus m-Library App from Google play store and Apple Store.

Dear Sir/Ma'am,

We value your patronage and your confidence shown towards us. Counting you among our customers is something for which we are especially grateful now.

We are glad to inform you that the online access for **Knimbus e-Library** has been setup on our platform which enables you to make "**Your Library, Your Way**".

However, few institutes still haven't shared the user/faculty data to get uploaded at the Knimbus Portal. We humbly request them to share the data on priority. (Note: please ignore this message if you have already shared the users data).

With the new Knimbus platform you have access at single platform for all list of e-Resources, subjects, content, important links. Having your branded e-Library Portal will help you increase visibility of the Library and build awareness amongst faculty and students about the high-quality resources available through the Library.

Please check out your new e-Library at - <https://jntuapharmacy.knimbus.com>

You can download the Knimbus m-Library App from Google play store and Apple Store.
