various disciplines. On the other hand, with the advent of globalization and opening up of Indian economy to outside world, competition among the industries has become stiff. So industries also need good students who are well aware of industry standards and capable of achieving so. Therefore, there is an urgent need of interaction of industry and academics where academic institutes can prepare students for jobs in multinational companies and industry will also be benefited by possibility of receiving well-trained workforce. For this to become reality bridging the gap between industry and the academic institute is a must and to make it possible an Industry Institute Interaction Cell (IIIC) was established in 2018 at VNIPS. Objectives and the schemes planned for the academic year 2019-2020 are as follows:

OBJECTIVES:

- To cultivate strong links with industry
- To promote various industrial activities by the faculty members and students.
- To catalyze further development of Research between the Institute and Industry.
- To have a closer linkage and promote research suited to industry needs, and consultancy which creates a sense of owning among faculty members.
- To provide continuing education to people working in industries so that they can upgrade their technical knowledge, and / or obtain higher degrees; this orients the faculty members towards the industry from the portals of College i.e. Academics.
- To enable academicians to take a sabbatical in industries; provide internships for students in industries, which will prepare the students better for entering the industry;

The following steps are being undertaken to promote Industry - Institute Interaction

- Establishment of the Industry Institute Interaction Cell (IIIC)
- Organizing Workshops, Conferences and Symposia with joint participation of the Institute and the industries.

Preamble:

VNIPS is a 9 year old premier and reputed institution in academics and research, approved by Pharmacy Council of India under Section 12 & AICTE and affiliated to JNTUK, an institution of Viswanadha Educational Society which is also successfully running VITAM (Engineering & MBA) and Delhi Public School, Anandapuram.

Whereas GVPIHCMT 4 years old, 300 bedded premier teaching hospital in Visakhapatnam supplying healthcare services to North Coastal Andhra Pradesh and to Orissa and is having many specialized services such as STD, outpatient block, clinical laboratory block, pediatric block in addition to the traditional medical services.

Both VNIPS and GVPIHCMT are convinced about the mutual benefit of forging a formal synergistic linkage to develop new collaborative teaching and research program in the areas of pharmacy practice and allied health care fields. Now, therefore, in consideration of the premises and mutual covenants hereinafter contained the parties agree as follows:

Scope of work and responsibilities:

The two parties after considering their objectives and strengths have agreed to have an understanding for collaboration in the following areas of interest.

- Organizing and participating in joint symposia/conferences/workshops/short term refresher courses.
- Carrying out interdisciplinary research.
- Exchange of faculty for guest lectures as well as examiner ships.
- Medicinal and pharmaceutical consultancy services of mutual interest.
- Extending access to library and knowledge sharing facilities mutually for both students and faculty.
- Providing clinical training or internship or residency training to the students of Pharm D and / or Pharm D Post Baccalaureate during their course of study.

This will consist of the following:

- Every Pharm D student of VNIPS will be posted in GVPIHCMT for a period of not less than fifty hours to be covered in not less than 200 working days in each of second, third and fourth year courses.
- Every fifth year Pharm D student of VNIPS will spend half a day in the morning hours attending ward rounds in daily basis in GVPIHCMT.
- Every sixth year Pharm D student of VNIPS will be given internship or residency training for one year by GVPIHCMT during which period the student will provide clinical pharmacy services to the allotted wards. His / her services will be in the general medicine department for six months and in three other specialty departments for another six months (2 months in each department).
- In all the above referred to programmes the Pharm D students and Pharm D (Post baccalaureate) students of VNIPS will attend to the allotted duties/training programmes in a punctual manner and disciplined manner and under the supervision of a teaching staff member of the college.

various disciplines. On the other hand, with the advent of globalization and opening up of Indian economy to outside world, competition among the industries has become stiff. So industries also need good students who are well aware of industry standards and capable of achieving so. Therefore, there is an urgent need of interaction of industry and academics where academic institutes can prepare students for jobs in multinational companies and industry will also be benefited by possibility of receiving well-trained workforce. For this to become reality bridging the gap between industry and the academic institute is a must and to make it possible an Industry Institute Interaction Cell (IIIC) was established in 2018 at VNIPS. Objectives and the schemes planned for the academic year 2019-2020 are as follows:

OBJECTIVES:

- To cultivate strong links with industry
- To promote various industrial activities by the faculty members and students.
- To catalyze further development of Research between the Institute and Industry.
- To have a closer linkage and promote research suited to industry needs, and consultancy which creates a sense of owning among faculty members.
- To provide continuing education to people working in industries so that they can upgrade their technical knowledge, and / or obtain higher degrees; this orients the faculty members towards the industry from the portals of College i.e. Academics.
- To enable academicians to take a sabbatical in industries; provide internships for students in industries, which will prepare the students better for entering the industry;

The following steps are being undertaken to promote Industry - Institute Interaction

- Establishment of the Industry Institute Interaction Cell (IIIC)
- Organizing Workshops, Conferences and Symposia with joint participation of the Institute and the industries.

Preamble:

VNIPS is a 9 year old premier and reputed institution in academics and research, approved by Pharmacy Council of India under Section 12 & AICTE and affiliated to JNTUK, an institution of Viswanadha Educational Society which is also successfully running VITAM (Engineering & MBA) and Delhi Public School, Anandapuram.

Whereas GVPIHCMT 4 years old, 300 bedded premier teaching hospital in Visakhapatnam supplying healthcare services to North Coastal Andhra Pradesh and to Orissa and is having many specialized services such as STD, outpatient block, clinical laboratory block, pediatric block in addition to the traditional medical services.

Both VNIPS and GVPIHCMT are convinced about the mutual benefit of forging a formal synergistic linkage to develop new collaborative teaching and research program in the areas of pharmacy practice and allied health care fields. Now, therefore, in consideration of the premises and mutual covenants hereinafter contained the parties agree as follows:

Scope of work and responsibilities:

The two parties after considering their objectives and strengths have agreed to have an understanding for collaboration in the following areas of interest.

- Organizing and participating in joint symposia/conferences/workshops/short term refresher courses.
- Carrying out interdisciplinary research.
- Exchange of faculty for guest lectures as well as examiner ships.
- Medicinal and pharmaceutical consultancy services of mutual interest.
- Extending access to library and knowledge sharing facilities mutually for both students and faculty.
- Providing clinical training or internship or residency training to the students of Pharm D and / or Pharm D Post Baccalaureate during their course of study.

This will consist of the following:

- Every Pharm D student of VNIPS will be posted in GVPIHCMT for a period of not less than fifty hours to be covered in not less than 200 working days in each of second, third and fourth year courses.
- Every fifth year Pharm D student of VNIPS will spend half a day in the morning hours attending ward rounds in daily basis in GVPIHCMT.
- Every sixth year Pharm D student of VNIPS will be given internship or residency training for one year by GVPIHCMT during which period the student will provide clinical pharmacy services to the allotted wards. His / her services will be in the general medicine department for six months and in three other specialty departments for another six months (2 months in each department).
- In all the above referred to programmes the Pharm D students and Pharm D (Post baccalaureate) students of VNIPS will attend to the allotted duties/training programmes in a punctual manner and disciplined manner and under the supervision of a teaching staff member of the college.

various disciplines. On the other hand, with the advent of globalization and opening up of Indian economy to outside world, competition among the industries has become stiff. So industries also need good students who are well aware of industry standards and capable of achieving so. Therefore, there is an urgent need of interaction of industry and academics where academic institutes can prepare students for jobs in multinational companies and industry will also be benefited by possibility of receiving well-trained workforce. For this to become reality bridging the gap between industry and the academic institute is a must and to make it possible an Industry Institute Interaction Cell (IIIC) was established in 2018 at VNIPS. Objectives and the schemes planned for the academic year 2019-2020 are as follows:

OBJECTIVES:

- To cultivate strong links with industry
- To promote various industrial activities by the faculty members and students.
- To catalyze further development of Research between the Institute and Industry.
- To have a closer linkage and promote research suited to industry needs, and consultancy which creates a sense of owning among faculty members.
- To provide continuing education to people working in industries so that they can upgrade their technical knowledge, and / or obtain higher degrees; this orients the faculty members towards the industry from the portals of College i.e. Academics.
- To enable academicians to take a sabbatical in industries; provide internships for students in industries, which will prepare the students better for entering the industry;

The following steps are being undertaken to promote Industry - Institute Interaction

- Establishment of the Industry Institute Interaction Cell (IIIC)
- Organizing Workshops, Conferences and Symposia with joint participation of the Institute and the industries.

Preamble:

VNIPS is a 9 year old premier and reputed institution in academics and research, approved by Pharmacy Council of India under Section 12 & AICTE and affiliated to JNTUK, an institution of Viswanadha Educational Society which is also successfully running VITAM (Engineering & MBA) and Delhi Public School, Anandapuram.

Whereas GVPIHCMT 4 years old, 300 bedded premier teaching hospital in Visakhapatnam supplying healthcare services to North Coastal Andhra Pradesh and to Orissa and is having many specialized services such as STD, outpatient block, clinical laboratory block, pediatric block in addition to the traditional medical services.

Both VNIPS and GVPIHCMT are convinced about the mutual benefit of forging a formal synergistic linkage to develop new collaborative teaching and research program in the areas of pharmacy practice and allied health care fields. Now, therefore, in consideration of the premises and mutual covenants hereinafter contained the parties agree as follows:

Scope of work and responsibilities:

The two parties after considering their objectives and strengths have agreed to have an understanding for collaboration in the following areas of interest.

- Organizing and participating in joint symposia/conferences/workshops/short term refresher courses.
- Carrying out interdisciplinary research.
- Exchange of faculty for guest lectures as well as examiner ships.
- Medicinal and pharmaceutical consultancy services of mutual interest.
- Extending access to library and knowledge sharing facilities mutually for both students and faculty.
- Providing clinical training or internship or residency training to the students of Pharm D and / or Pharm D Post Baccalaureate during their course of study.

This will consist of the following:

various disciplines. On the other hand, with the advent of globalization and opening up of Indian economy to outside world, competition among the industries has become stiff. So industries also need good students who are well aware of industry standards and capable of achieving so. Therefore, there is an urgent need of interaction of industry and academics where academic institutes can prepare students for jobs in multinational companies and industry will also be benefited by possibility of receiving well-trained workforce. For this to become reality bridging the gap between industry and the academic institute is a must and to make it possible an Industry Institute Interaction Cell (IIIC) was established in 2018 at VNIPS. Objectives and the schemes planned for the academic year 2019-2020 are as follows:

OBJECTIVES:

- To cultivate strong links with industry
- To promote various industrial activities by the faculty members and students.
- To catalyze further development of Research between the Institute and Industry.
- To have a closer linkage and promote research suited to industry needs, and consultancy which creates a sense of owning among faculty members.
- To provide continuing education to people working in industries so that they can upgrade their technical knowledge, and / or obtain higher degrees; this orients the faculty members towards the industry from the portals of College i.e. Academics.
- To enable academicians to take a sabbatical in industries; provide internships for students in industries, which will prepare the students better for entering the industry;

The following steps are being undertaken to promote Industry - Institute Interaction

- Establishment of the Industry Institute Interaction Cell (IIIC)
- Organizing Workshops, Conferences and Symposia with joint participation of the Institute and the industries.

Preamble:

VNIPS is a 9 year old premier and reputed institution in academics and research, approved by Pharmacy Council of India under Section 12 & AICTE and affiliated to JNTUK, an institution of Viswanadha Educational Society which is also successfully running VITAM (Engineering & MBA) and Delhi Public School, Anandapuram.

Whereas GVPIHCMT 4 years old, 300 bedded premier teaching hospital in Visakhapatnam supplying healthcare services to North Coastal Andhra Pradesh and to Orissa and is having many specialized services such as STD, outpatient block, clinical laboratory block, pediatric block in addition to the traditional medical services.

Both VNIPS and GVPIHCMT are convinced about the mutual benefit of forging a formal synergistic linkage to develop new collaborative teaching and research program in the areas of pharmacy practice and allied health care fields. Now, therefore, in consideration of the premises and mutual covenants hereinafter contained the parties agree as follows:

Scope of work and responsibilities:

The two parties after considering their objectives and strengths have agreed to have an understanding for collaboration in the following areas of interest.

- Organizing and participating in joint symposia/conferences/workshops/short term refresher courses.
- Carrying out interdisciplinary research.
- Exchange of faculty for guest lectures as well as examiner ships.
- Medicinal and pharmaceutical consultancy services of mutual interest.
- Extending access to library and knowledge sharing facilities mutually for both students and faculty.
- Providing clinical training or internship or residency training to the students of Pharm D and / or Pharm D Post Baccalaureate during their course of study.

This will consist of the following:

- Every Pharm D student of VNIPS will be posted in GVPIHCMT for a period of not less than fifty hours to be covered in not less than 200 working days in each of second, third and fourth year courses.
- Every fifth year Pharm D student of VNIPS will spend half a day in the morning hours attending ward rounds in daily basis in GVPIHCMT.
- Every sixth year Pharm D student of VNIPS will be given internship or residency training for one year by GVPIHCMT during which period the student will provide clinical pharmacy services to the allotted wards. His / her services will be in the general medicine department for six months and in three other specialty departments for another six months (2 months in each department).
- In all the above referred to programmes the Pharm D students and Pharm D (Post baccalaureate) students of VNIPS will attend to the allotted duties/training programmes in a punctual manner and disciplined manner and under the supervision of a teaching staff member of the college.
